A Chapter of the Association of Legal Administrators

What is KYALA?

The Association of Legal Administrators (ALA) is a not-for-profit organization founded in 1971 with its headquarters located in Lincolnshire, Illinois. ALA is the premier professional association connecting leaders and managers within the legal industry. Membership has grown steadily over the years and now has over 9,000 members from 30 countries world-wide.

KYALA was chartered in 1978 and has 37 members. These members are involved in the decision-making and management of law firms and government agencies. When evaluating the needs for goods and services for their offices, our members are encouraged to consider companies which have developed a relationship with our Chapter, established through our Business Partner Program.

Business Partner Program Overview

The Business Partner Program enables our Chapter to achieve its mission to enhance the knowledge and professionalism of its members through high-quality educational programs in legal management, provide timely information which will enable members to perform their jobs more effectively and efficiently, and increase visibility and credibility of the legal administration profession. In return, we offer Business Partners exclusive access to our Chapter members through various advertising, educational, networking and community outreach opportunities. As always, we appreciate the continuing support of our current Business Partners and look forward to forming alliances with new Business Partners.

Business Partner Program 2024

- Sponsorships typically run for a calendar year: January 1st- December 31st.
 Memberships and dues can be prorated if your organization wishes to become a Business Partner anytime throughout the year.
- Sponsorships are open to prospective Business Partners through application. All new applications will be reviewed by the Chapter Board for compatibility with the current Business Partner profile and membership needs.
- Applications for sponsorships is available at the end of this guide.

Included in this guide is the list detailing all the benefits of each level of sponsorship. We hope you will give serious consideration to supporting our Chapter in this manner and that you will find this approach as beneficial as we believe it will be for both you, as a potential Business Partner, and to the KYALA.
